Office of the Governor

EXECUTIVE ORDER NO. 2020-03

WHEREAS, the State of North Carolina recently experienced severe weather, including tornadoes, torrential rainfall, major flooding, high winds, and significant thunderstorms, which caused extensive damage throughout the State of North Carolina, such as widespread power outages and the loss or disruption of other essential utilities and utility services; and

WHEREAS, due to the recent severe weather event and resulting impacts, the Governor of North Carolina issued Executive Order No. 115 on February 7, 2020, declaring that an emergency exists in the State of North Carolina and temporarily waiving or suspending certain motor vehicle regulations to ensure the prompt restoration of utility services; and

WHEREAS, the Federal Motor Carrier Safety Regulations limit, *inter alia*, the hours of service for operators of commercial vehicles, 49 C.F.R. §§ 390 *et seq.*, and federal law prescribes certain weight limitations for vehicles on interstate highways, 23 U.S.C. § 127; and

WHEREAS, pursuant to 49 C.F.R. § 390.23, the governor of a state may suspend certain federal rules and regulations for commercial vehicles responding to an emergency if the governor determines that an emergency condition exists; and

WHEREAS, when an emergency is declared in the State of North Carolina that triggers relief from regulations pursuant to 49 C.F.R. § 390.23, the undersigned must declare an emergency in this State in accordance with section 56-5-70(B) of the South Carolina Code of Laws; and

WHEREAS, the prompt restoration of utility services is essential to the safety and well-being of the people of North Carolina and it is necessary and prudent for the State of South Carolina to assist the State of North Carolina by supporting ongoing emergency response efforts and by facilitating the uninterrupted transportation of essential equipment and supplies to or from the impacted areas.

NOW, THEREFORE, by virtue of the authority vested in me as Governor of the State of South Carolina and pursuant to the Constitution and Laws of this State and of these United States and the powers conferred upon me therein, I hereby declare that an emergency exists in the State of South Carolina, in accordance with 49 C.F.R. § 390.23 and section 56-5-70(B) of the South Carolina Code of Laws, for the limited purpose of suspending certain rules and regulations, as set forth below, for commercial vehicles and operators of commercial vehicles responding to the declared emergency in the State of North Carolina. Accordingly, for the foregoing reasons and in accordance with the cited authorities and other applicable law, I further order and direct as follows:

Section 1. The South Carolina Department of Transportation and the South Carolina Department of Public Safety, including the State Transport Police, as needed, shall suspend application and enforcement of the requisite state and federal rules and regulations pertaining to registration, permitting, length, width, weight, load, and hours of service for commercial vehicles and operators of commercial vehicles responding to the declared emergency in the State of North Carolina pursuant to 49 C.F.R. § 390.23 and section 56-5-70 of the South Carolina Code of Laws.

This Order shall not be construed to require or allow an ill or fatigued driver to operate a commercial motor vehicle. In accordance with 49 C.F.R. § 390.23, “a driver who informs the motor carrier that he or she needs immediate rest must be permitted at least ten (10) consecutive hours off duty before the driver is required to return to such terminal or location.” Likewise, this Order shall not be construed as an exemption from the applicable controlled substances and alcohol use and testing requirements in 49 C.F.R. § 382, the commercial driver’s license requirements in 49 C.F.R. § 383, or the financial responsibility requirements in 49 C.F.R. § 387, and it shall not be interpreted to relieve compliance with any other state or federal statute, rule, order, regulation, restriction, or other legal requirement not specifically waived, suspended, or addressed herein.

Section 2. Notwithstanding the waiver or suspension of certain rules and regulations as set forth above, drivers in South Carolina are still subject to the following state requirements to ensure public safety:

- (a) Weight, height, length, and width for any such vehicle on highways or roadways maintained by the State of South Carolina shall not exceed, for continuous travel on all non-interstates, United States, and South Carolina designated routes, maximum dimensions of twelve (12) feet in width, thirteen (13) feet six (6) inches in height, and ninety thousand (90,000) pounds in gross weight.
- (b) Posted bridges may not be crossed.
- (c) All vehicles shall be operated in a safe manner, shall not damage the highways nor unduly interfere with highway traffic, shall maintain the required limits of insurance, and shall be clearly identified as a utility vehicle or shall provide appropriate documentation indicating they are responding to the emergency.
- (d) Any vehicles that exceed the above dimensions, weights, or both, must obtain a permit with defined routes from the South Carolina Department of
